

01 CLIENT & PROJECT DETAILS

Client / company name

Contact person

Telephone / WhatsApp

Email address

Physical / project address

Company registration / VAT

Project / product name

Preferred contact method

Client type

How did you hear about Manjaro?

02 PROJECT BRIEF & INTENDED USE

Describe your idea / product

Primary purpose / function

Who will use the product?

Indoor / outdoor use

Installation location / environment

Required quantity

Target completion date

Existing product / sample available?

Prototype required?

Main priorities

03 DIMENSIONS, MATERIALS & FINISH

Overall length × width × height

Critical dimensions / tolerances

Preferred material

Stainless-steel grade

Material thickness / section sizes

Required surface finish

Expected load / pressure / temperature

Food / dairy contact?

Moving / electrical / pneumatic parts

Other restrictions or standards

04 REQUIRED DELIVERABLES & COMMERCIAL INFORMATION

Design stage required

Required outputs

Additional outputs / file types

Site measurement required?

Engineering review required?

Estimated design budget

Fabrication budget

Quotation required for

Purchase order required?

Special billing instructions

05 FILES, CONFIDENTIALITY & DESIGN OWNERSHIP

Files / samples supplied

File names / sample description

Information supplied by

Confidentiality / NDA requirement

Portfolio permission

Preferred final-file access

Ownership preference

Existing IP / registration

Third-party designs included?

Third-party permission details

06 CLIENT DECLARATION & DRAWING APPROVAL

Project / drawing reference

Revision number

Approval decision

Changes required

Dimensions checked?

Intended use disclosed?

Client name

Capacity / position

Signature (type full name)

Date

The client confirms that the information supplied is accurate. Concepts and fabrication drawings are not professional engineering certification. Regulated or safety-critical work may require approval by an appropriately registered professional. Fabrication or file release proceeds only after quotation acceptance, payment and approval.
